Host Update

Phil told everyone that the grand opening of the Yorktown Victory Center will be Spring 2017 when the outdoor history living areas are completed. Phil is very pleased with the progress; he invited everyone for a tour after the meeting.

Retreat workshop plan

Sandy walked the group through a pre-retreat questionnaire to discuss what has worked well with the HTC, what hasn't, what each members goals for the organization are. The group discussed the issues.

Sandy said everyone's thoughts would be shared with the retreat facilitator. He also asked that the members send their responses to the last question to Susan: What are your indicators of success for the HTC?
